Dear Ms. Ruddock,

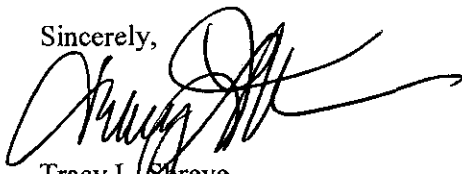

Last year, your generous donation to the Greenhill Auction helped make our event one of the most successful in our history. We were proud to make a sizable contribution to our Parents' Association Faculty Endowment Fund which enriches our teachers and in turn benefits our children.

This year's Gala/Auction, Greenhill Resort and Spa - the ultimate getaway, will be held Saturday, April 17, 2004 at the Four Seasons Resort and Club, Las Colinas. With a new theme and format this year, we would love to count on you again. We have planned an exciting afternoon of golf, tennis, basketball and spa treatments all culminating in our dinner, silent and live auctions. We welcome your tax-deductible donation of items, gift certificates or services and would be happy to discuss customizing just the right donation for this exciting event. Underwriting packages are also available upon request.

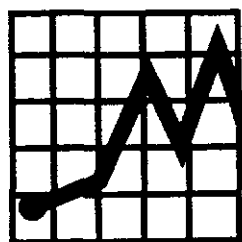

For your convenience, a contribution form is enclosed. Please complete the form and mail it in the envelope provided, retaining the pink copy for your tax records. If you would like additional information, or if you need an item picked up, please call me personally on the Auction Hotline at (972) 628-5400, extension 3053. If your donation is a gift certificate, please mail it along with the other two pages of the contribution form.

Thank you in advance for your generous support. I look forward to your help in making this another very successful event.

Sincerely,

Tracy L. Shreve

Dear Ms. Davis:

I wanted to thank you for the opportunity to appear on your show to talk about the dogs, Lexee's Legacy and the work we are doing. The exposure benefited us greatly and we have had 70 adoptions since that appearance.

Thank you again, from myself, the volunteers and especially the dogs, for helping us to further our goal of rescuing animals in need and placing them in loving, caring homes.

Dear Mr. O'Brian

I am writing to commend one of your valued employees, Ms. Nada Ruddock. I've worked with Nada on several projects over the past few months, notably ; a project designed by your internal staff which was used to build your latest NBC-5 convention display booth backdrop. Nada worked many hours over several months to complete the project, with several design changes making sure that the station would be proud of the final product. She was instrumental in assisting our company, at that time, to receive all of the information needed to build the booth, and get the financial part worked out, which is not always easy through the system.

Also, just this past week, while working at my new position with GWR Medical, I again had the pleasure of receiving the superior attention and service from Nada as she assisted me in getting a copy of an NBC-5 story about our company product which was a story by Ms. Debra Ferguson on the Topical Oxygen healing therapy we provide. The story, which was only about 30 seconds long, was somewhat difficult to find (mainly because of my memory of when I thought I had seen it) ; but Nada would NOT let me fail to attain a copy which will greatly enhance our sales efforts.

My compliments to you; the station, and above all the professionalism and dedication within Nada Ruddock. Please pass along my sincere thanks to her with my praise and appreciation for her service and simply WHO she is as a person and a professional.

Respectfully submitted,

Dear Ms. Ruddock:

Thanks to NBC 5, our other sponsors, partners and friends and our amazing participants, Lone Star Ride Fighting AIDS 2003 was incredibly successful.

Our 134 riders and 143 crewmembers enjoyed two days of hard work, close camaraderie and great weather. Most important to these wonderful volunteers, however, was the news that 100% of the funds they raised would be returned to the three beneficiary agencies. And that, Ms. Ruddock, is due to the generosity of NBC 5 and our other sponsors, partners and friends whose donations underwrite the expenses of producing Lone Star Ride Fighting AIDS.

This year we experienced an unprecedented increase of 55% over our 2002 return and our beneficiaries have already put a majority of the \$293,685.56 2003 return to work for their clients. Your sponsorship, including PSAs and web site promotion, played no small part in making that happen.

As we move toward the end of 2003 and look forward to 2004 – and Lone Star Ride's 4th year – we want you to know how valuable our relationship with NBC 5 is to us. Author Anthony J. D'Angelo said

"Without a sense of caring, there can be no sense of community."

We are honored that NBC 5 has once again chosen to extend its sense of caring to the community affected by HIV/AIDS through sponsorship of Lone Star Ride Fighting AIDS.

With gratitude,
